“Notice”

We are happy to inform our staff, board members and all the well wishers of LHCB about November 9 - 22, 2015 Mission Trip to Dumki. LHCB-USA already gave their final confirmation regarding the trip. They already purchased airline tickets, travel insurance, stamped visas in passports and also completed other necessary first hand work regarding the trip. Travelers will be 2 specialists in OB/GYN **Dr. Heidi Thorson (Ob/Gyn) & Dr. Jen McKeand (Ob/Gyn)** and 1 specialist in Surgery **Dr. John Clark (Surgeon)** have commitment to build relationships, discuss expectations, and learn about LHCB, and Bangladesh customs. We have been in direct contact with them and they have confessed their satisfaction on our itinerary. Most importantly, they are looking for working side by side with our doctors and nurses at the LHCB hospital in Dumki. They will depart Minneapolis November 9 and return home November 22.

We are committed to give them a best stage to perform, best environment to enjoy and cooperation's to remember. So, it's being advised to all the staff of LHCB to follow the instruction as prescribed and be ready before time. Definitely your constructive suggestions will be appreciated but it's your responsibility to deliver in time.
